

Shivam Mishra

Professional Title

I am an aspiring Full Stack Developer currently in my final year of a B.Tech in Computer Science and Engineering at Babu Banarasi Das University, Lucknow. With a solid foundation in front-end and back-end technologies, I have developed a comprehensive Learning Management System as part of my academic projects. My certification in Full Stack Web Development from PW Skills, combined with a strong understanding of data structures and algorithms, underscores my commitment to continuous learning and professional growth. In addition to my academic achievements, I have been working as a Subject Matter Expert (SME) for Java at Chegg since April 2023, where I provide detailed solutions and explanations to help students grasp complex Java concepts. I am proficient in both English and Hindi and am eager to contribute my skills and enthusiasm to a dynamic and innovative team.
